Veterinarian Office

4th of July frights

People love to celebrate the 4th of July, unfortunately most pets don't. With the loud noises and bright lights, pets usually become frightened. Please leave pets inside when setting off fireworks. Make sure your pet has an identification tag so that they can be identified if they get out of the house. If your pet comes up missing on base, call 652-8836 or 652-2311.

Heat stress

A reminder once again that *heat kills* pets in unshaded yards and parked cars! Pets are prone to heat stress in the hot desert environment. Dogs cannot sweat and must pant to cool themselves. Extreme panting causes them to overheat and become dehydrated very quickly. Please provide your pet with plenty of shade and cool fresh water, and limit outside time to 30 minutes or less on days that the temperature exceeds 100 degrees.

Travel tips

If your pet will be traveling with you on vacation, carry proof of all vaccinations with you and also attach a current rabies tag to the collar. If flying, most airlines require a health certificate. This can be scheduled at the Veterinarian Office.

July appointments

Appointments will be available every Tuesday morning and some Friday mornings. The Veterinarian Office sees pets with minor medical problems, for vaccinations, health certificates and limited lab work. No emergency service, surgeries or x-rays are offered. If you need to cancel an appointment, please call 652-2230 by 4 p.m. the day before.

Summer is full of fun for Nellis children

**By Ms. Stephanie Pittman
99th Services Squadron**

Summer should be a time of frolick and fun, yet parents hear over and over, "I'm bored. There's nothing to do." The 99th Services Squadron has a few suggestions to help parents cure those boredom blues.

When the weather heats up, send the family to the Olympic Pool at Outdoor Recreation. A day pass is \$1.50, a season pass for one person is \$20 and a family pass is \$52. The pool also offers swimming lessons for children of all ages and skill levels. Call 652-2473 for more information on classes and passes.

The Nellis Boys & Girls Club (formerly the Youth Center) has workshops and events planned all summer long. Learn to sew, play tennis, work at a computer or take dance lessons. They have horseback riding, Friday Summer Madness activities and a preteen lock-in planned. Something is always

happening at the Boys & Girls Club. Call the Club at 652-9307 for more details on summer fun.

Information, Tickets and Tours has some great vacations planned for the family this summer.

Sign up for a trip to Disneyland and Universal Studios, July 15 and 16. Cost varies depending on how many family members are going and includes hotel, tickets and transportation.

Take a ride to Magic Mountain July 29 for \$65 a person or to SeaWorld and Tijuana August 12 and 13. Call ITT for more information on tickets and tours available, at 652-2192.

If you just can't get away this year, cool off in the Bowling Center. Thunder Alley rolls the last Sunday of the month, all day long. Cost is \$2.50 a game or \$10 per hour.

There is still time to win great prizes in the Bowling For Bucks contest. Two segments of the pro-

gram are geared for children. With PinBusters, youth up to 18 must bowl to get their card punched. Once the card is full, it is entered into a drawing for the chance to be in a "roll-off." Winners get fantastic prizes. For more information, call the Bowling Center at 652-2160.

BookBusters links youth summer bowling to the library's reading program. Students entering grades 1 through 12 are encouraged to read books. For every 3 books they read, or have read to them, they receive one free game of bowling and a chance to win prizes. Call the Library at 652-4484 for more information.

Don't forget that the Skills Development Center offers monthly children's classes also. Call 652-2794 for more details.

The 99th Services Squadron is the answer to the summer doldrums. Have a safe and fun summer break.

4th of July celebration promises more than fireworks

File Photo

Participants at last year's 4th of July celebration enjoy the food and music at Freedom Park.

**By Mrs. Stephanie Pittman
99th Services Squadron**

Music, food and fireworks. The

perfect ingredients for a perfect time.

The 4th of July celebration at Freedom Park will start at 6 p.m. Tuesday, and finish at 9:15 p.m. with fantastic fireworks.

Everyone is welcome to come out and enjoy the festivities. This year, headliners Tommy Thompson Project and Lyin' Eyes are scheduled to perform.

Tommy Thompson Project features music in the styles of David Sanborn, Kenny G, Anita Baker and Marvin Gaye. They have opened for legendary acts such as Chicago and Aaron Neville.

Lyin' Eyes began as an Eagles tribute band, but has expanded their repertoire to include music from other artists such as John Mellencamp and Carlos Santana.

There will be dance and vocal performances from members of the Boys & Girls Club, and members of the 99th Medical Group Squadron, named the O'Callaghans, will be performing the national anthem.

Other special guests will include children's characters. Elmo, Big Bird, Jessie and Woody will be on hand to mingle with the littlest of the 4th of July participants.

Throughout the event, there will be prize drawings, free face painting and free balloons.

The grand prize drawing is a Mount Charleston Lodge giveaway. The winner of this prize will receive a one night stay in a plush cabin and a \$200 gift certificate good for an incredible dining ex-

perience in the lodge, courtesy of Prudential Individual Financial Services.

In order to have a good time at the celebration, it is important for everyone to follow a few common sense precautions.

Please do not bring coolers, glass bottles or pets to the park.

Pets can become overwhelmed in the heat and with the noise of fireworks. Please be considerate and leave your four-legged family member at home.

Fireworks are not allowed on Nellis. That means you have to leave the sparklers and other fireworks at home.

Don't forget to bring a blanket or lawn chair to sit on when viewing the fireworks.

This year's celebration should be a real blast.
